2016 Online Courses

Michael Grose, Australia's leading parenting educator, is conducting practical online courses that will help build your parenting skills and knowledge in four vital areas:

Term 1 - Cracking the Confidence Code

A must-do course for parents where low risk-taking and fear of failure is a constant companion for their kids. This course will put the skills and know-how at your fingertips to develop a real sense of confidence, competence and mastery in your kids.

Term 2 - Raising Well-behaved Kids

Learn communication techniques that will increase your children's cooperation levels and decrease your stress levels. Know how to manage your kids visually, what to do when they ignore you and how to get more cooperation, without telling your kids what to do.

Term 3 - Mood Meter for Parents

Want to help your children be the best they can be? Then you need to build their emotional intelligence. Michael draws on research from the team at the Yale Center for Emotional Intelligence to help you give your kids the tools they need to recognise, manage and regulate their emotions.

Term 4 - Raising Mighty Boys

Don't be fooled by the title, even parents of girls need to know how boys tick. Unlock the secrets of raising boys of any age so that they become more confident, achieve more at school, talk about what's on their minds, better manage anger and other strong emotions, and make the most of their natural strengths.
